10% discount to pin club members for the new 1 ¼ inch Debby the Polar Bear Pins which go on sale at the Gift Shop in Mid-May 2010. Regular price is \$4.99 per pin plus taxes. Debby (1966 – November 17, 2008) was the world's oldest [polar bear](#). She lived in the [Assiniboine Park Zoo](#) in [Winnipeg](#). In August 2008, the [Guinness Book of World Records](#) certified her as not only the oldest polar bear, but one of the three oldest individuals ever recorded of all bear species. Debby was born in the [Soviet Arctic](#) in 1966, and subsequently orphaned; she arrived in Winnipeg when she was a year old. Debby lived to be 42 years old which is a very long time for a polar bear. She is greatly missed.

Proceeds from the sale of these pins go towards the new polar bear rescue shelter and polar bear exhibit. Construction on the centre, which will include a state-of-the-art polar bear enclosure, will start in 2011.

The [Assiniboine Park Zoo Gift Shop](#) is located at 54 [Zoo Drive in Winnipeg](#).
